Former Prime Minister and Minister of State of the Netherlands chairman of the Supervisory Board of the Anne Frank Foundation Wm Kok (picture) on the Nazi-Lauck internetsite.one of the most prolific host of foreign racist sites is Gary Lauck of Lincoln,Nebraska USA.The American Nazi activist host about 80 foreign web sites.Holland nw involved in a scandal to discredit Anne Frank's Diary of a young girl.The Dutch government is represented continuous as "look-alike" Adolf Hitler on the internet.The improper portrait (500.000) went to the White House in Washington,to the United Nations,The European Parliament and all embassies.The democratic countries of the European Union have no wish to return to the oppression of the 1930s and 1940s and if the Netherlands cannot comply with the rule of European and International law and the morality of a democratic society then it must be cast out of the European family.
